## **Maternity Leave Upper Junior Classteacher**

### **Information for Applicants**

Redmaids' High Junior School is a selective girls' school with a long tradition of high academic standards within a friendly and supportive community. We are a bustling and vibrant school of approximately 120, 7 to 11-year olds.

We are seeking to appoint, on a temporary basis, an inspirational Upper Junior classteacher. The ability to offer mathematics as a strength would be advantageous.

Applications are invited from candidates with appropriate qualifications and relevant experience for the post. The successful candidate will be an outstanding classroom practitioner and will work closely with existing classteachers, whilst contributing to the innovative and excellent teaching throughout the school. Teaching and learning is constantly developing at Redmaids' High. Proficiency in ICT is essential.

This role is not suitable for a NQT.

#### **The Role:**

- We are looking for an enthusiastic and outstanding Key Stage 2 practitioner to complement the current staff team. It will be necessary to work co-operatively and constructively as a member of our well-motivated and professional team.
- The teacher should be proficient with the use of IT. Our classrooms are fitted with Prowise touch screens which are fully inter-active and each pupil has her own iPad which is utilised as a learning tool and is embedded into our daily routines.
- Extra-curricular activities are a vital part of school for every girl and it is envisaged that the new teacher will offer at least one activity.
- All Redmaids' High staff are expected to continually use and develop effective teaching strategies to make learning fun.
- The new teacher is required to teach according to the school policies and schemes of work.
- The staff maintain a very professional outlook and with this in mind, they are in their classrooms by 8.20 am to welcome girls and their parents. A tidy appearance and an organised classroom are essential.
- Staff are expected to respond to pupils' individual learning needs according to school assessment and recording policies.
- Display of children's work is an important aspect of the school and the teacher must be willing to spend time displaying children's work creatively.

#### **In addition:**

- You will be expected to deliver the high-quality pastoral care for each individual pupil that is established within the school and maintain the caring ethos. The School is proactive in maintaining a supportive, cohesive community for everyone.
- Junior parents are immensely supportive in every way, attending school events in large numbers and supporting sports, music and drama activities. The school adopts a very open, friendly approach to parents and it is important that the teacher is both approachable and understanding at all times.
- The temporary teacher will cover one after school duty per week. A willingness to take

part in school evening events is another important aspect for Redmaids' High staff.

- During the Summer Term, Year 5 and 6 participate in a residential 5-day outdoor education programme and the teacher will be expected to take part.
- You will be required to safeguard and promote the welfare of all students in and visiting the School, in line with the School's Safeguarding policy and other related policies.
- You will need to understand the responsibilities in relation to handling personal data under the Data Protection Act 2018, in line with the School's Data Protection policy.
