JUNIOR SCHOOL

Year 3 Arts Award: The small print:

To qualify for an academic year's worth of free instrumental or speech and drama lessons, register your daughter for a place in Year 3 this September 2021, by 31 August 2021. The £75 fee covers the cost of the educational assessment.

This offer extends to any child who has been signed up to our Year 3 waiting list before 31 August 2021, for a place at the school starting in September 2022, 2023, 2024, 2025 or 2027. To join our Year 3 waiting list, there is a non-refundable £25 holding fee that will be deducted from your daughter's assessment fee, carried out when she is in Year 2.

This offer is only available for pupils starting in Year 3 at the start of the academic year, not in any other year group.

Please note that registering a pupil, does not guarantee a place. All potential new joiners must sit an assessment with the Headteacher. Parents will receive feedback and a letter confirming the offer of a place, following the assessment.

The free lessons are to be taken on the school premises through our visiting peripatetic teachers and specialist drama teachers.
