

# REDMAIDS' HIGH SCHOOL

FOR GIRLS | BRISTOL

## **Become a Governor of Redmaids' High School**

Redmaids' High School is a leading independent girls' day school in the South West, with pupils from ages 4 to 18. Formed in 2016 from the merger of Redland High School and The Red Maids' School, it has a proud history dating back to 1634.

We wish to attract new governors to join our team in guiding this outstanding school in the next phase of its exciting development. Our current governing body already reflects a wide range of skills and experience and we want to build on this, as well as refreshing our team as governors approach the end of their terms of office. All applications are welcome, but we particularly wish to attract those with expertise in accounting or business, education (especially at university level), marketing, charity law and those with a local community profile.

In the first instance please register your interest with Susannah Wooldridge, Secretary of the Clerk to the Governors (details below) and complete the application form, giving your details and a summary of what you can offer the school. Whilst it is not our policy to recruit current parents as governors, past parents and alumnae are very welcome to apply.

*The School is an equal opportunity organisation with a commitment to diversity.*

Susannah Wooldridge  
Secretary, Clerk to the Governors  
Redmaids' High School  
Westbury Road  
Westbury-on-Trym  
Bristol BS9 3AW
