

## Redmaids' High School Scholarship & bursary awards

---

Students joining Redmaids' High into any year group can be considered for a scholarship. These will be awarded on a tiered basis, offering awards either Denmark or Rose levels. In normal circumstances, any fee remittance for scholars will be purely on a means-tested basis. Means-tested scholarships could be up to 100%.

Current students are welcome to apply for scholarships when moving into Year 7, 10 or 12.

### Academic Scholarships:

There will be approximately ten academic scholarships on offer each year, at two levels.

Rose = Academic mentoring plus an annual £200 annual contribution to be spent on their area of interest.

Denmark = Rose plus a fee remission (up to 25%). Reserved for those who display truly exceptional academic aptitude.

**Students who receive an Academic award are expected to attend a minimum of one Athena event each term.**

### Sports Scholarships:

The number offered each academic year, will depend entirely on the skill set of the group and awarded on a tiered basis.

Rose = Individual strength and conditioning and dedicated point of contact with specialist sports staff plus an annual £200 annual contribution to support individual development.

**Students who receive a Sport award are expected to attend extra-curricular sport activities and support the sporting life of the school.**

### Music Scholarships:

### Athena Development Grants:

From September 2024, all students in Year 9 will be eligible to apply for a development grant to support their personal development during their studies in Years 9 to 11. Students can reapply for a second development grant during their Sixth Form. Please ask for further details.

### **Bursaries:**

We offer a number of fully funded and partially-funded places each academic year, on a means-tested basis. As a broad guide, most bursaries offer up to 50% discount on the fees, although we do have a number of fully funded places available for able and ambitious students who perform very well on the entrance examinations. The assessment of a family's means, takes parents' or guardians' income and the value of capital assets into consideration. More information on applying for a bursary is set out in the Bursary Policy.

### **Special awards:**
